Sir:

DECLARATION OF JOHN D. HOTTOVY UNDER 37 C.F.R. § 1.132

I, John D. Hottovy, hereby declare as follows:

1. I am co-inventor of record of the invention disclosed and claimed in the present application referenced above.
2. My residence and business addresses are set forth below, along with my signature.
3. I am a co-inventor of record of European Patent 0 432 555, filed November 26, 1990, and entitled, "Control of Polymerization Reaction."
4. In European Patent 0 432 555, I and the other co-inventors did not teach or suggest the concept of a continuous withdrawal of slurry from the loop reactor. Instead, we contemplated a settling leg configuration, in which withdrawal of slurry from the loop reactor occurs in a discontinuous manner.

Serial No.: 10/699,095
Declaration Under 37 CFR § 1.131

5. I declare further that all statements made herein are of my own knowledge, are true and that all statements made on information and belief are believed to be true, and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.
